

VOLUNTEER *Opportunities*

The artists and members of Heartland Artists are a very active group. They work in a wide range of media: watercolor, oil, photography, glass fused to copper, fabric, pottery, jewelry and gourds. Experience art and all its rewards at the Gallery. Several of our members have painted some of the Blueberry sculptures that are “growing” in downtown Plymouth; we work with the schools of Marshall County to exhibit a special display of students’ art during Children’s Art Month in the spring; we offer classes for children and adults through the Heartland School of Art; we collaborate with the Marshall County Historical Museum and MoonTree Studios on special projects; we joined with Plymouth’s Chamber of Commerce to host the 2nd Art in the Street event; we host two annual juried shows annually; each month we invite an accomplished artist from Michigan or northern Indiana in order to give our community an opportunity to see some spectacular art they might not otherwise have seen; and of course we are pleased to show the artwork of our local members who change their collections every other month. It is very gratifying to see the amount and the variety of talent in our backyard.
