

**WIN** one of two fully decorated Holiday Trees! Usher in the holidays with the sophistication of the Art Deco era. This year's tree is a study in black and white with accents of gold for a touch of elegance. A 6' white tree with clear lights is adorned with artist made ornaments in black white and gold, inspired by the art, architecture and fashion of the Art Deco era. Look for clean lines and geometric shapes to be the hallmark of this year for both the main tree and the smaller 3' metallic gold pencil tree.

**Tickets \$1 each or 6 for \$5**

You will be able to view both trees being raffled in mid November. The two winners of the raffle will be announced at the Open House on Sat., December 9th. It's a holiday fundraiser for the Gallery. Buy tickets at Heartland Artists Gallery
